A History Of Victorian Literature

Victorian literature refers to English literature during the reign of Queen Victoria (1837-1901). English writing from this era reflects the major transformation in most aspects of English life, such as significant scientific, economic, and technological advances to changes in class structures and the role of religion in society. While the Romantic period was a time of abstract expression and ...

A History of Victorian Literature on Apple Books

Victorian literature differs from that of the eighteenth century and Romantic period most significantly because it was not aimed at a specialist or elite audience; rather, because the steam printing press made the production of texts much cheaper and because railroads could distribute texts quickly and easily, the Victorian period was a time when new genres appealed to newly mass audiences.
