In movies set in modern times, a director's choice to use black and white might seem trite and artistically showy. In Schindler's List, however, the black-and-white presentation effectively evokes the World War II era and deepens the impact of the story. Black and white also presents the filmmaker with the opportunity to use sparing color to highlight key scenes and signal shifts in time.

### Schindler's List The Impact of Black-and-White Film ...

Teenage Mutant Ninja Turtles (initially known as Teenage Mutant Hero Turtles in some European countries) is an American animated television series produced by Murakami-Wolf-Swenson and the French company IDDH Groupe. It was the first television adaptation of the superhero team of the same name created by Kevin Eastman and Peter Laird.. The pilot was shown during the week of December 14, 1987 ...
