Many terms describe native plants and where they occur. The term “indigenous” is synonymous with native, but neither term specifies where a plant is native. Native range describes the area over which a plant naturally occurs. Although it is convenient to refer to a plant’s native range using political boundaries, such as county or state names, soil and climate conditions determine plant ...

Being Southerners, it was a source of shame to some members of the family that we had no recorded ancestors on either side of the Battle of Hastings. All we had was Simon Finch, a fur-trapping apothecary from Cornwall whose piety was exceeded only by his stinginess. In England, Simon was irritated by the persecution of those who called themselves Methodists at the hands of their more liberal ...
