I personally would take a step back and get rid of any assumption about why I did not get a raise. You have jumped to the conclusion that you did not get a raise because of some personal defects. It could just as well be that 80% of the company was profoundly undercompensated whereas you are already compensated in line with market rates.

This was made at the request of Zaromaru and Inmo. SOME OF THE SCREENSHOTS ARE TAKEN WITH MO BENDS, THIS MOD WILL ONLY AFFECT TEXTURES NOT MODELS . NOTE: There is a skin server whitelist you can change on servers to avoid user IP leaks for privacy.Only disable this if you are doing this for a private server or add servers to the whitelist if you trust the source.

Re:Skin - Mods - Minecraft - CurseForge

Absolutely useless. Absolutely useless - no service to speak of at all - thats if you can get through in the first place. I pressed option 4 and was promptly cut off - why doesn't someone do something about this service - many many people, particularly in these times are in desperate need of a service which used to be very good, but is now non existent - just like every other public service ...
