Unlike the other sites on this list, Centsless Books is a curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free ebooks available from the online retailer.

Engineering Economics Seema Singh

Is the high degree of gender inequality in developing countries—in education, personal autonomy, and more—explained by underdevelopment itself? Or do the societies that are poor today hold certain cultural views that lead to gender inequality? This article discusses several mechanisms through which gender gaps narrow as countries grow. I argue that although much of the GDP/gender ...
