Child care emergency for PA working families

Happy #LaborDay!" They are unified to destroy all hard-working families. If the Democrats were genuinely concerned about these families, they would open up their states and cities and let people return to work. They would stop trying to micro-manage and control every person. They would let people have a say in how to care for their health.

Pelosi's Tweet Honoring 'Hard-Working Families' Gets ...

An informative mix of data and discussion, this book presents conclusions and recommendations for policies that can respond to the new conditions shaping America's working families. Among the family and work trends reviewed: Growing population of mothers with young children in the workforce. Increasing reliance of nonparental child care.

Working Families and Growing Kids: Caring for Children and ...

Hard working families are caught in the horrible reality of the two income trap created by high taxes, high housing prices and the myth that hard work brings rewards. The reality of being a hard working family is awful, chronic fatigue, insecure children and pressure from a long working hours culture do not show on statistics but are a reality for hard working families.
