Infocus Lcd Projector Manual

Description. Advanced. LCD. Projection. For the first time in over a decade, InFocus welcomes its newest LCD projector line. Of course, a lot has changed since InFocus released the first LCD over 25 years ago, but the dedication to the highest quality products and providing cutting-edge technologies has not.

Bluetooth-enabled projectors typically feature a default passkey. For example, the NEC NP54 projector uses a default passkey of "0000". However, changing the passkey from the default helps improve device security. If uncertain of the passkey, contact your system administrator or refer to the owner's manual for your projector.
