Politics Of Deafness - chimerayanartas.com

The projected or "lived" universalism being claimed by Deaf activists is an attempt to constitute imaginal memories. Such universalism draws on the experience of many deaf people who, in their deafness, find a commonality that, in this frame, transcends other distinctions of race, ethnicity, or nationality.

The Politics of Deafness: Introduction

In other countries, there is greater political participation by deaf people- the European Union has two Members of Parliament that are deaf. One is from Bulgaria, and the other is from Hungary. In South Africa, as we all know, Wilma Newhoudt-Druchen, a Gallaudet alumni, was a Member of Parliament for the African National Congress and is now a member of the Board of Trustees.

We all strive to make this a safe space for everyone to discuss politics despite our Conservative character. DPVC group page leans predominantly Republican but is not completely Pro-Trump page at all as other perspectives are welcome here.

Deaf Politics View & Comedy

Most scholars attribute the development of deaf communities to the establishment of schools for the deaf and the desire of alumni to associate with one another afterward. But there is also evidence that whenever a significant number of deaf people exist in one geographic location, they will form social relationships with one another and with hearing people who use sign language .
