The Second Great Awakening was a Protestant religious revival during the early 19th century in the United States. The Second Great Awakening, which spread religion through revivals and emotional preaching, sparked a number of reform movements. Revivals were a key part of the movement and attracted hundreds of converts to new Protestant denominations.

The Ballerinas by Rachel Kapelke-Dale I love the cover of this book and it's one of the reasons that I wanted to read it. The fragile looking but athletic body, knowing what goes into working one's way to the top of the ballet world, the final result, if obtained, can look so appealing and desirable.
