Being neither a religion nor an ideology, the body of opinion termed conservatism possesses no Holy Writ and no Das Kapital to provide dogmata. So far as it is possible to determine what conservatives believe, the first principles of the conservative persuasion are derived from what leading conservative writers and public men have professed during the past two centuries.

Ten Conservative Principles | The Russell Kirk Center

The heart of this document focuses on the unlikely set of events leading to the passage of the National Labor Relations Act of 1935 (NLRA). The NLRA was a major turning point in American labor history because it was supposed to put the power of government behind the right of workers to organize unions and bargain collectively with their employers about wages, hours, and working conditions.
