Guide. Saxon books are skill-level books, not grade-level books. It is essential that each student be placed in the text that meets his or her skill level.

Success with one Saxon book strongly suggests success with the next Saxon book. The following Saxon placement test guide may be used to estimate which book a student ...

To be successful in John Saxon's Algebra 1 course, the student must complete the entire Algebra 1/2 textbook, scoring eighty or better on the last five tests of the course. Students who encounter difficulty by time they reach lesson 30 indicate problems related to something that occurred earlier in either Math 76 or Math 87.
