Elixir of Immortality | Fun adventure games, Big fish ...

The idea of immortality is so captivating that modern science and medicine may bring us as close to discovering a solution as ever. For example, at Northwestern University in the US, scientists learned to turn off the "genetic switch" that causes aging, however, not in humans yet, but in worms. Of course, it's a huge step from worms to humans, but this technique is already an important achievement.

Scientists Claim We Might Be Immortal in 17 Years — This ...

This solution isn't perfect either but it's better than using the Eldrazi titans. In the event our library has an even number of cards in it we'll always be able to draw into the Elixir of Immortality regardless of where its located in our deck. However the same can't be said if our library has an odd number of cards.
