Wow! These guys know what they are doing! I had sprint for over a year and they where charging me waaaay to much money for just 2 lines (\$200). I decided i wanted to switch to something cheaper and to save money. T mobile was my decision and while i liked the service and pricing for 2 lines i still wanted to use my s8!

I really do like this phone. It is light, easy to use, and has good call quality. Simple to assemble, charges fast, and most of the default settings are perfect out of the box. Activation was a breeze (I used Tracfone chat) and only took a few minutes. WIFI and Tower antennas are really good. Nice signals for both. The Contacts app has an In Case of Emergency feature where you can put info ...

The Motorola Moto G Power (2021) was the perfect choice. Much better camera and much more space than my old phone had, but still easy to use, and with all the functions I need in a smart phone. The touch screen was a little too sensitive for me at first, but once I put on a screen protector, it was just right.

According to Engadget, Motorola's brand-new Razr sports an improved design, support for 5G, and corrects many of the issues the first model was notorious for. Chris Velazco writes: Motorola was always clear that the Razr is a "design-first" device, and it went to great lengths to recreate the visual vibe that its classic flip phones ran with ...
