Scripture and the Existence of God. The Bible opens not with a proof of God's existence, but with a pronouncement of God's works: "In the beginning God created the heavens and the earth." This foundational assertion of Scripture assumes that the reader not only knows already that God exists, but also has a basic grasp of who this God is.

The Existence of God - The Gospel Coalition

Richard Swinburne, one of the foremost contemporary philosophers of religion, has suggested in his The Existence of God (2004) what can be called a hypothetical argument, according to which the existence of the God of monotheistic religions as they understand him should be treated first only as an "hypothesis" and then be tested or verified ...

I gave in, and admitted that God was God, and knelt and prayed: perhaps, that night, the most dejected and reluctant convert in all of England." Lewis went on to write a book titled, "Surprised by Joy" as a result of knowing God. I too had no expectations other than rightfully admitting God's existence.

Is There a God? 6 Reasons Point to God's Existence

3. The word of God reveals the existence of God. 4. God exists. FLAW 1: This is a circular argument if ever there was one. The first three premises cannot be maintained unless one independently knows the very conclusion to be proved, namely that God exists.

The pre-existence of Christ is a central tenet of mainstream Christianity. It explores the nature of Christ's pre-existence as the divine hypostasis called the Logos or Word, described in John 1:1-18, which begins: . In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God. 3 All things came into being through him, and without him not ...

If God exists, there is a sound foundation for morality. If God does not exist, then, as Nietzsche saw, we are ultimately landed in nihilism. But the choice between the two need not be arbitrarily made. On the contrary, the very considerations we have been discussing can constitute moral justification for the existence of God.

Can We Be Good without God? | Popular Writings ...

But it is important to see that it is not just immortality that man needs if life is to be meaningful. Mere duration of existence does not make that existence meaningful. If man and the universe could exist forever, but if there were no God, their existence would still have no ultimate significance.
