Joshua Mitchell - 1776 Unites

Tocqueville was prescient in emphasizing that only the mediating institutions of religion, family, and civil society can combat the pathologies to which American democracy is prone. Along with that insight, though, came a recognition that only the diffusion of power can enable us to manage "the relationship between particularity and universality" in such a manner that "each is granted its due."

We live in the democratic age. So wrote Alexis de Tocqueville, in 1835, in his magisterial work, Democracy in America. This did not mean, as so many have believed after the fall of the Berlin Wall in 1989, that the political apparatus of democracy would sweep the world. Rather, Tocqueville meant that as each nation left behind the vestiges of its aristocracy, life for its citizens or subjects would be increasingly isolated and lonely.
