Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

### **The Things That Nobody Knows**

The Things That Nobody Knows is packed with these kind of mysteries and a fun and compact read because of it. The only downside is that it feels slightly outdated already! 3 Stars, fun as a side-read

# Where To Download The Things That Nobody Knows 501 Mysteries Of Life Universe And Everything William Hartston

It's fun to read about life's mysteries, it is even better when those mysteries are ridiculously mundane.
