Complex sentences are fascinating components of the English language. When used properly, they can add depth to our writing. Complex sentences contain an independent clause and at least one dependent clause.. An independent clause has the ability to stand alone as a sentence. It always makes a complete thought.

The end credits for Seiyu's Life! are set up as the main characters closing out their weekly radio show and ends with the line "Well everyone, see you next week! Good night!". Every episode of Space Battleship Yamato ended with the on-screen text, "Earth has [X] days to live".; Some anime shows do this at the end of next episode previews, but that's another trope entirely.
