2. It must NEVER try to auto detect when HOME THEATRE SYSTEM is selected under HDMI profile. This is annoying when all devices are connected to a receiver. 3. Make the TV boot to the TV tuner for a split second on power on CEC in order to switch on the receiver and then back to the last input. This was fixed on KU series and works well.

1 review of Detail Solutions "I wish I could give this place 4.5 stars! They were awesome! My car has never looked so clean. Anthony (I think) said the stains would be hard to get out but I think he did a great job. The only area for improvement would be the waiting area....I had to wait for 3 hours in the most uncomfortable waiting area. The chairs are basically bar stools.
